

A Year of Core Words - January 2016

Sunday

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

Monthly words: again, all gone/all done, different, help, mine, more, not/don't, stop, that, want, what, you

What are your 2 AAC Resolutions? Model a little bit throughout the day? Teach repair strategies?

3

One of my goals is to read two books written by someone who uses AAC.

4

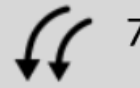

WHAT is in your backpack today?

Ask your kids/students to HELP with tasks in the classroom or around the house.

6

Use a spinner or All-Turn-It for a game. Where does it STOP?

7

Look for opportunities to do a favorite activity AGAIN.

8

Offer a compliment today: YOU look great!

9

Whew! This week is ALL DONE.

THAT is an abstract word that we might not model much. Try to use it this week!

10

11

THAT is cool!

Go on a color walk! Each kid gets a color and carries THAT color with them, looking for THAT color.

13

Which color do you want? THAT one!

Two-word phrases: Like that! Want that? That again!? Not that!

14

Listen to music and make it STOP! Practice your freeze dancing.

15

16

Offer to HELP someone today.

What did MLK Jr. WANT? He wanted equality for all. He worked to HELP others.

17

18

Martin Luther King Jr. Day

Read this bright and colorful book by Todd Parr! 'It's Okay to be Different.'

20

21

Literacy goal: name recognition. Hold up names and ask 'Who's name?' MINE!

22

Teach self-advocacy by showing when to say "STOP" to others.

23

What's DIFFERENT about Saturday? No school? Sleep in? (Maybe)

31

24

25

Use WANT to ask a question. Who WANTS a turn?

Read a book where the character gets into trouble. Practice DON'T and STOP!

26

27

'No, David!' by David Shannon

28

Model ALL DONE as you finish activities today.

29

Wear giant glasses or a funny hat. Ask "What is DIFFERENT?"

30

Let's read MORE this weekend.
