Sunday

October is AAC Awareness month!

Monday

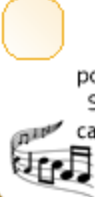

Get ready to START an amazing month!

Tuesday

Look for opportunities to show gratitude today. "Thank you!"

Wednesday

Play the START of a popular song. See if others can SAY what song it is!

Thursday

Share a picture of something that CHANGES. Trees, leaves, caterpillars all CHANGE.

Friday

I CHANGE my socks.

Saturday

What is something fun we can do today? Share your IDEA!

Tell ANOTHER person about AAC!

Go on a scavenger hunt and look for THINGS that are PRETTY.

When you find THINGS, take a picture. Use Tar Heel Reader to write a book about what is PRETTY.

Collect some CHANGE and count it.

Try asking someone's opinion. "What do you THINK?"

TRY something new today!

Make a fort UNDER a table.

Do you like to TRY on clothes?

Read a story and tell the main IDEA.

This is FOR you. Make or find something to give away.

Name something you do EVERY day.

Go exploring: Look UNDER things to find something hidden.

Do you know someone who is PRETTY fast?

Sometimes we START over. 'I can TRY again!'

Do you ever ask someone to CHANGE the channel?

Find a song with the word SAY. Say Something, Say My Name, You Say.

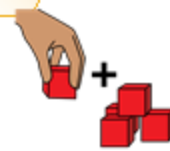

What does a fox say?

Find a book about living UNDER the sea.

Roving reporter: ask someone 'What one food or sport would you like to TRY.'

another

Instead of saying 'more', sometimes we could say ANOTHER. Another... cookie... book... show

Find a new author and START reading a book.

Try the phrase "I have no IDEA."

Ask friends to go FOR a walk.

Share an opinion: I THINK...

Write a THANK YOU note to someone. "Thank you for..."
