1	What else would you like to share about your AAC telepractice services?
2	I am able to support AAC communicators from the age of two through elementary aged.
3	i am excited
4	none
5	nothing at this time
6	Sessions run 30-60 minutes depending on individual needs
7	I'm licensed by the Ohio Speech and Hearing Board; have an Ohio Pupil Services license; and have a Certificate of Clinical Competence from the American Speech
8	I do it in Spanish
9	Also provides caregiver coaching sessions based on "AAC for Caregivers" (Yong, 2019)
10	Offer both AT and OT supports
11	I am a beginner!
12	This is a difficult time, however, we can learn so much during this time about supporting families remotely using tools we had all along.
13	Inspiring Talkers specializes in working with clients of all ages and in all stages of SGD use. We can provide quality AAC services through telepractice all over the
14	Jill Tullman & Associates is an AAC private practice. Please share our information and have families contact us for a free initial consultation to 'meet' us and learn
15	Just starting!
16	We provide support, coaching and direct services to individuals with complex communication needs and their families.
17	AAC is my passion.
18	We have a team of SLPs at Comprehensive Speech & Therapy Center who are trained in AAC and would love the opportunity to help others in this time of need.
19	focus on (AAC) implementation, (AAC) and writing, (AAC) and reading
20	I'm school-based and being thrown into tele-therapy due to corona virus
21	I am a LAMP Certified Professional
22	My organization provides AAC evaluation, consultation and training services to children and adults out in the community. We were already in the process of
23	Everyone has something to say. Just because a person cannot express themselves clearly or effectively with speech does not mean they have nothing to say. We
24	Zoom platform
25	Provide AAC services for communication and literacy in North Carolina
26	We are fully committed to assisting families and meeting their needs with our fully licensed therapists. For more information, feel free to visit our website at:
27	I provide services in Spanish only
28	I have a variety of materials to provide to parents as well as instructional materials.
29	I have worked with multiple students with many different AAC systems throughout my time practicing. I am just getting started with telepractice and feel fortunate
30	I specialize in working with children and adults using bilingual (Spanish-English) AAC systems and have worked for many years in the field of AAC but am just
31	We believe communication partner training is vital.
32	Lots of resources available, specializing in AAC
33	Our practice is serving patients in Georgia. We have 6 licensed SLPs specializing in AAC conducting AAC services.
