

A School Year of Core Words-Level 2 (Intermediate)

Unity 60 Sequenced

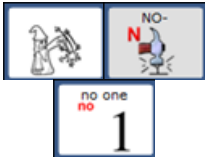

A School-Year of Core Words-Level 2 is a compilation of core words and some pre-programmed phrases found on many SGD's/AAC apps with semantic targets organized on a monthly basis within a school-year. Please note that this is not an exhaustive list, (and some words/phrases may not be available on the communication system) but such items were selected based a variety of underlying principles of language development, previous year of core vocabulary choices and posts (in PrAACtical AAC), themes and topics in school, holidays and overall student benefit.
