

A School Year of Core Words-Level 1

A School-Year of Core Words-Level 1 is a compilation of 161 words and some pre-programmed phrases found on many Speech Generating Devices (SGD's)/AAC apps with semantic targets organized on a monthly basis within a school-year. Some months have fewer words due to vacation(s). Please note that this is not an exhaustive list, (and some words/phrases may not be available on the communication system), but such items were selected based on a variety of underlying principles of language development and the use of communication functions, previous year of core vocabulary choices and posts, (in PrAACtical AAC), topics in school, holidays and themes.
