

Lesson Plan Template

Unit/Topic: _____ **Grade:** _____ **Student:** _____

General Education Expected Student Learning Outcomes (SLO) :

TARGET STUDENT'S LANGUAGE PROFILE AS IT RELATES TO THE SLOS

(e.g., vocabulary, phrase development, grammar, syntax, pragmatics, and phonological awareness)

LANGUAGE/AAC OBJECTIVES:

(Key Language/AAC Skills students should achieve through the lesson)

LESSON STRUCTURE:

Time	Introduction Activities	Intervention Strategies

Time	Direct Instruction Activities	Intervention Strategies

Time	Guided Practice Activities	Intervention Strategies

Time	Independent Practice Activities	Intervention Strategies

Time	Assessment Activities:	Intervention Strategies

Time	Generalization/Extension Activities:	Intervention Strategies

RESOURCES/MATERIALS

(Include equipment required for class and/or for teacher preparation)

REFLECTION

Impressions:

- What were my initial feelings, impressions, and reactions going into sessions today/this week?
- What were possible assumptions, values, or biases that might have affected my performance today/this week?

Knowledge and Skills:

- What do I already know that I was able to bring to the intervention session/s?
- What are new learning issues that emerged from my experiences?

Challenges:

- What was my biggest challenge that emerged from my experiences?
- How did I respond to this challenge?

Evaluation:

- Were there alternative ways to respond and how might I implement alternatives?
